serres de llevant - Negre, Rosat, Blanc.

It was love at first sight when, 18 years ago, Lars Dubbick visited the beautiful island of Mallorca for the first time. In Mallorca, he pursued his career as a private chef and always followed his passion for authentic flavours and true taste. To his regret, he found that, due to limitations of supply within the confines of Mallorca's geography, many of the Mallorcan wines are supplemented with wines imported from the Spanish mainland. He dreamed of an honest, pure Mallorcan wine, small in circulation and strong in flavour. In 2015 he finally made his dream come true and began to produce his own creation. Many hours of trial and error have passed since then, resulting in "serres de llevant": carefully blended, honest, pure wines with character to be enjoyed both on special occasions and as delicious summer wines.

PRICELIST

BLANC 0,75 L: 12,50 €

The white Cuvée consists of varieties of Chardonnay and Prensal Blanc, currently the only white, indigenous Majorcan grape as well as Giró Blanc, together with Giro Blanc, a historic variety. The result is a light, balanced, harmonious wine with low acidity and a floral aroma with a slight hint of citrus and a touch of butter.

ROSAT 0,75 L: 12,50 €

The Rosat is a cuvee of the famous varieties: Syrah, Cabernet Sauvignon and Merlot. Its delightful colour impresses with apricot and salmon tones and its flavour is lively, fresh and fruity with aromas of peach and berries. A perfect companion to Mediterranean cuisine and an excellent drinking wine not only for the summer, but all year round.

NEGRE 0,75 L: 13,50 €

Cabernet Sauvignon and Merlot varieties and the historic Mallorcan vine "Callet" complete this full bodied red wine. The few, professionally maintained, Callet vineyards situated around the small town of Felanitx are up to 80 years old. This fascinating wine, with its combination of grape varieties, develops an aroma of fresh wood, berries, cocoa, cinnamon and vanilla in a rounded and well balanced taste to delight the most sophisticated pallet.
